Olive Knuckle Hinge

Olive Knuckle Hinges offer a unique and decorative alternative to regular butt hinges. In the closed position only a single hinge knuckle is visible. Olive knuckle hinges are designed to be installed fully mortised between the door and frame.

Standard Features:

- Stainless Steel
- Provided with all fasteners for installation

Standard Finishes:

- US3, US32, US32D, US4, US9, US10, US10B
