

Double Gang

Double Gang Recessed

6901 Series Pushplates

DynaLock Specialty Exit Controls provide "out of the box" solutions to meet specific codes or mandates governing egress requirements within a facility, municipality or region.

6901 Series are tamper resistant, heavy duty double gang pushplates machined from solid aluminum. All models with "PUSH TO EXIT" signage engraved. Lettering is black with 1/8" stroke and 1" height (minimum).

All momentary models feature "all active" operation.

Standard finish - Satin Aluminum US28

PTD Contact Rating: 10 A @ 125VAC / UL

All Others: 6 A @ 125VAC / UL
