Access Management Solution for Multi-Family Properties

ACCENTRA
ASSA ABLOY

ASSA ABLOY is transitioning the Yale Commercial brand to ACCENTRA. This affects only the brand name; the products and product numbers will remain unchanged. Prior to May 20, 2024, products may be shipped either as Yale Commercial brand or ACCENTRA brand. Products shipping after May 20, 2024, will be branded ACCENTRA.

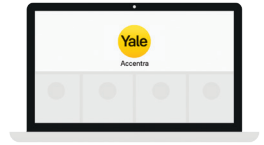

The Yale Multi-Family Solution combines smart locks with intuitive **cloud-based** software for easy and convenient access management of multi-family properties in a **single system**. Access updates can be instantly applied using the **mobile access** app or an online updater for physical credentials. Avoid the hassles and costs that come with wiring every door or managing access with keys while making your property a more **secure, convenient**, and attractive place to live.

Yale Accentra™ Software

Manage access rights for residents, guests, and employees

- ▶ Manage access rights from any internet-enabled device from anywhere with Yale Accentra cloud-based multi-family software
- ▶ Access permissions are enabled instantly
- ▶ Residents, visitors, and staff are granted schedule based access to authorized openings

The Yale Accentra Mobile Access Experience

New and updated access rights are instantly applied with the Yale Accentra Access app

- ▶ Mobile access is available for all residents, visitors, and staff through the Yale Accentra Access App
- ▶ Users download the Yale Accentra Access App, link their mobile device, and begin accessing authorized doors
- ▶ Cell service or WiFi is not required when using the mobile credential
- ▶ Dynamic in-app instructions make access quick and easy

Credential Updater and Door Controller

Update access rights, transmit audit trails, and open any electrified door

- ▶ Grants access to authorized physical and mobile credentials
- ▶ Activates new physical credentials for residents, visitors, and staff
- ▶ Transmits access permissions to physical credentials at the time of entry
- ▶ Ensures physical credentials are continuously updated through typical daily use
- ▶ Scheduled and remote unlock capabilities for the online updater are managed through the Yale Accentra Cloud Interface

nexTouch® Keypad Locks

Control access to common areas, exterior doors and resident doors

- ▶ Provides convenient, key-free access for common areas, exterior doors, stairwells, and resident doors
- ▶ Enhances facility security with access control at every opening
- ▶ Product options for standard cylindrical or mortise door prep and even retrofit options to upgrade existing exit devices

Yale Assure® Digital Deadbolt and Interconnected Lock

Control access to resident doors

- ▶ Provides convenient, keyless access for residence doors
- ▶ Reduces maintenance costs by eliminating the need to rekey doors
- ▶ Offers a new level of security and convenience for residents and their guests
