

# Quick Ship 5-Day Shipping Program

**ACCENTRA**  
**ASSA ABLOY**

ASSA ABLOY is transitioning the Yale Commercial brand to ACCENTRA. This affects only the brand name; the products and product numbers will remain unchanged. Prior to May 20, 2024, products may be shipped either as Yale Commercial brand or ACCENTRA brand. Products shipping after May 20, 2024, will be branded ACCENTRA.

## Order Form

Please use the form on pages 69-70 when placing orders for Yale® products.

## Part Numbers

QuickShip part numbers must be included on the order form. Orders listing model numbers only may be processed as factory orders.

## Mixed Orders

QuickShip product orders and factory orders must be submitted on separate order forms. Any order received having both factory and QuickShip products will be processed as a factory order and shipped from the factory at normal lead times.

## Quotes

Quote number must be included with the purchase order. Orders without this information will be processed at standard buying programs.

## Minimum Order

Minimum invoice is \$250 net product value.

## Lead Time

Lead time is 5 delivery days from receipt of order. (Consult the current Yale® Price Book for a complete list of Terms & Conditions regarding delivery.) We reserve the right to limit quantities.

## Freight

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of \$7,000.00 will be shipped prepaid by the Yale carrier of choice to a single destination point in the United States.

Customer orders with net product value less than \$7,000.00 will be shipped prepaid by the Yale carrier of choice and freight and handling charges will be added to the customer's invoice.

A minimum freight and handling charge of \$15.00 will be charged on orders with net product value of \$400.00 or less.

For orders with net product value greater than \$400.00 and less than \$7,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. On the first Monday of each quarter, the new rate will be published on the Yale and Door Security Solutions extranet and will go into effect on the 2nd Monday of the quarter. Please refer to

the Yale distributor extranet for the rate chart and information on the current freight charge percentage. The percentage in effect at the time of shipment of the order will be charged.

If a customer provides their own freight account number for the freight charges, Yale will apply a handling fee of \$25.00 to the invoice.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by Yale and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

Packing – Yale will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Yale will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

## Changes/Cancellations

Due to the promptness of delivery, no changes or cancellations can be accepted. The only exception is when we are out of stock.

## Prices

All shipments will be made at prices prevailing at time of shipment.

## Terms

Invoices dated the 1st through the 15th will be due for 2% discount on the 10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the 25th of the following month. Net immediately thereafter.

## Consult the current Yale Price Book for pricing information, a complete list of Terms & Conditions and Warranty Information.

## For Customer Service Contact:

**ASSA ABLOY Door Security Solutions**

**Customer Service - Monroe**

1902 Airport Road

Monroe, NC 28110
