FLASHship™

July 2018 Vol. 1

The global leader in door opening solutions

ACCENTRA ASSA ABLOY

ASSA ABLOY is transitioning the Yale Commercial brand to ACCENTRA. This affects only the brand name; the products and product numbers will remain unchanged. Prior to May 20, 2024, products may be shipped either as Yale Commercial brand or ACCENTRA brand. Products shipping after May 20, 2024, will be branded ACCENTRA.

Accessories Make a Difference

Selecting the right high-quality accessories for your door openings really matters!

Markar, McKinney, Pemko and Rockwood product solutions can resolve your door opening challenges. With specialized products and expert advice you will see the difference in no time!

For more information contact your local ASSA ABLOY Door Security Solutions representative at www.assaabloydss.ca.

42 Order Forms

Welcome to our FLASHship program.

FLASHship, offering select products from eight brands with 24-hour shipping is the latest ASSA ABLOY program designed to help you in doing business better.

Use FLASHship to help reduce inventory, improve your lead times and control your freight costs – and simplify ordering! Products from eight of the ASSA ABLOY brands are available for order on one order form, and you receive one invoice. You can even place your order online for quickest response.

Check out pages 7 - 41 for a listing of all the products available through this program.

Contact us with any questions at 1-800-461-3007 or speak with your local ASSA ABLOY Door Security Solutions Canada representative.

<image>

FLASHship[™] Program Information

The ASSA ABLOY FLASHship program allows the convenience of placing a single order for Yale architectural hardware plus accessory products from eight ASSA ABLOY brands. This program contains selected popular products from Adams Rite, HES, McKinney, Norton, Rixson, Rockwood, Securitron and Yale all shipping from one of our FLASHship locations within 24 hours.

QUALIFICATIONS

To place a qualifying order for the FLASHship program:

- A. Use the "FLASHship Order Form" on pages 42-43 and indicate product by FLASHship part number as stated in the FLASHship catalog, or
- B. Use your own purchase order with "FLASHship Program" prominently indicated. Also, products must be indicated by their FLASHship part number, or
- C. Enter FLASHship order by using the on-line order entry process.

ONLINE ORDER ENTRY

FLASHship orders can be entered by using our convenient online order entry system. Available on the ASSA ABLOY extranet, the dedicated FLASHship icon takes the user directly to the web-based form that offers easy-to-use drop-down menus to assist with product search and selection.

Order Form

Please use the form on pages 42-43 when placing orders for FLASHship products.

Lead Time

Lead time is 24 hours from receipt of order. We reserve the right to limit quantities.

Only items printed in this current publication will be given 24-hour lead times for shipping.

Part Numbers

Specific part numbers are assigned to each unique configuration. These FLASHship part numbers should be included on the purchase order to ensure ease of processing.

Mixed Orders

To ensure expedited processing, FLASHship products must be submitted on a separate purchase order from non-FLASHship products. Any orders received including items that are not currently published in the FLASHship offering will be returned to the customer for re-submittal.

The website for Online Order Entry is www.assaabloydss.com/extranet and then click the FLASHship icon. Contact your customer service representative to set up online order entry access and training.

Fax FLASHship orders to 905-738-9210 or email to FLASHshiporders.dss.ca@assaabloy.com

Contacts

Customer Service For FLASHship[™] customer service questions and/or issues, call: 800-461-3007

Hours of Operation Customer Service: 8:00 am – 7:00 pm EST

Terms and Conditions

Minimum Order

Minimum invoice is \$50.00 net product value.

Quotes

Quoted projects do not qualify for the FLASHship[™] program. Standard buying program discounts only.

Freight

All orders are shipped PPD factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

A minimum freight and handling charge of 5% will be charged on all orders below \$500.00 net.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by ASSA ABLOY Door Security Solutions Canada and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

Packing – ASSA ABLOY Door Security Solutions Canada will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that ASSA ABLOY Door Security Solutions Canada will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

Delivery

Orders will be acknowledged and given a scheduled delivery date. Standard delivery times apply. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. part numbers) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing.

ASSA ABLOY Door Security Solutions Canada will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. ASSA ABLOY Door Security Solutions Canada will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall ASSA ABLOY Door Security Solutions Canada be liable or accountable for consequential damages due to failure of delivery.

Changes/Cancellations

Due to the promptness of delivery, no changes or cancellations can be accepted.

Prices

All shipments will be made at prices prevailing at time of shipment.

Terms

1% tenth of the month following, net thirty (30) days after statement date.

Returned Goods

All FLASHship products returned as "Goodwill" must meet the following criteria to be considered for return:

- Be in original, unmarked and undamaged cartons
- Shipped and invoiced within the previous 30 days from return request
- Return requests must be approved by customer service prior to return

No restocking fee will apply. Upon receipt and verification that the returned merchandise meets the foregoing conditions, a credit will be issued for the original invoice amount.

Consult the current Price Books for pricing information and a complete list of Terms & Conditions.

Warranties

All standard limited warranties apply. Consult current Price Books for a complete list of warranty information.

Copyrights and Patents

Smooth Operation, Stylish Design

With a range of functions and features, smooth, quiet operation and an attractive modern look, the new 6000 Series Exit Device from Yale Commercial Solutions provides stylish life safety to any facility. The durable, ANSI/BHMA Grade 1 certified device comes in five finishes to suit any décor, and is perfect for both new construction or retrofit applications.

Bringing robust, modern solutions to any commercial facility, Yale Works for You^{s™}. www.yalelocks.com

hts 9600 Series be only Windstorm be curic Strike Available

www.hes**innovations**.com 800.626.7590

ASSA ABLOY, the global leader in door opening solutions

When it comes to protecting what you value, nothing compares to the reliability, strength and durability of the HES 9600 electric strike. This surface mounted solution for rim exit devices has been put to the test.

Independently verified by a nationally recognized testing laboratory as:

- ANSI 250.13 severe windstorm rated
- ANSI/BHMA A156.31 Grade 1
- UL 1034 burglary-resistant listed and suitable for outdoor use
- UL 294 (6th edition) listed
- Static strength to 2,000 lbs.
- Dynamic strength to 120 ft-lbs.
- Endurance 1,000,000 cycles
