

ANNUNCIATORS

Annunciators

Compatible with all Exit Check® systems, the 101 series annunciators provide door status at a remote location such as a nurse's station, guard station or office. The tri-color LED provides precise delay mode status.

101-1A Single Door Annunciator

- Audible alarm
- Tri-color LED status indicator

101-4AM Four Door Annunciator

- Audible alarm
- Alarm mute switch
- Four tri-color LED status indicators

101-1AK Single Door Annunciator with Key Control

- Dual function key switch for bypass (on/off) and reset. Key cylinder not included
- Audible alarm
- Tri-color LED status indicator
- Must be located adjacent to the door

101-PAM Single Door Annunciator with Push Switch Control

- Three push switches: momentary access, bypass (on/off) and audible mute
- Audible alarm
- Tri-color LED status indicator

Specifications

- Faceplate:** 20 gauge stainless steel
- LED:** Tri-color, 20 mA @ 12/24VDC
 Green - Secure
 Amber - Alarm/door locked
