

The Vintage Choice

ED7000 Series Exit Device

The Corbin Russwin ED7000 Series narrow stile exit device is ideal for historical preservation projects requiring additional security. Available in rim, mortise, and vertical rod configurations, these devices provide many options so you won't have to sacrifice your facility's aesthetic for security.

These exit devices can be teamed with a variety of Corbin Russwin trim to provide desired functions, styles and finishes in new construction and renovations.

Experience a safer
and more open world

ED7000 Series

Exit Device
