

# ACTIVE DOGGGING DOGGGING NDICATOR

### Unlock the Power of Visual Confirmation

UNLOCKED

.

### PED5000/PED4000 Series Exit Devices

Corbin Russwin's Active Dogging Indicator is now available with the PED5000/ PED4000 Series exit devices. Say goodbye to uncertainty and hello to clarity with a display window that provides an instant visual cue about the dogging status of your device.

Experience a safer and more open world

PED5000 Wide Stile Rim Exit Device

•

PED4000 Narrow Stile Rim Exit Device

## ACTIVE DOGGING INDICATOR

### **BENEFITS YOU CAN COUNT ON:**

- Efficient Monitoring: The Active Dogging Indicator's visual display empowers facility managers to quickly check the door status from within the room. No more time-consuming checks just a glance to ensure security.
- Lockdown Readiness: In high-stress situations, our thumbturn cylinder option simplifies the process of locking doors. Featuring an engraved "Lock" with a directional arrow, it ensures swift and decisive action in critical moments.

#### • Perfect for Various Applications:

- Auditoriums
- Cafeterias
- Gymnasiums
- Hospitals

#### FEATURES THAT SET US APART:

- Versatility: The Active Dogging Indicator is available with Hex Key Dogging Indicator, Cylinder Dogging Indicator, and Thumb Turn Dogging Indicator options.
- Enhanced Visibility: Enjoy a larger viewing window and a highly reflective coating indicator, ensuring visibility even in low-light conditions.
- Security with Ease: The use of a mortise cylinder for Cylinder Dogging and Thumb Turn applications ensures robust security measures.
- Adaptibility: Available for both Wide and Narrow Stile exit devices, making it suitable for various architectural settings.
- **Upgradeability**: Easily replace existing PED5000 and PED4000 series exit devices with the Active Dogging Indicator.
- Certified Reliability: ANSI/BHMA A156.3 Grade 1 Certification guarantees top-notch performance and durability.
- **Peace of Mind:** Backed by a 10-year mechanical warranty, our Active Dogging Indicator is built to withstand the test of time.
