ASSA ABLOY

Experience a safer
and more open world

One **LEVER** for
all **Openings**

For beautiful door hardware that helps to ensure life-safety and security, Corbin Russwin presents The Muséo® Line. Designers and architects will appreciate this aesthetic line of door levers that creates a cohesive overall design, without compromising quality and functionality.

Access Control

Exit Device Trim

Tubular Lock

Mortise Lock

Whether your project is about constructing sleek, structured spaces or creating bright, playful environments, Muséo art-inspired designer levers carry your vision throughout the facility.

Backed by coordinating commercial grade Corbin Russwin door hardware, Muséo opens up an expansive world of possibilities for design excellence.

ART Unifying Performance

The Museo® Line is ideal for commercial projects such as offices, campuses, museums and hotels as well as large residential projects such as condominium complexes. Designed for use with a full complement of Corbin Russwin commercial door hardware, *Muséo* levers coordinate seamlessly with our exit devices, tubular locks, mortise locks and access control hardware, so specification is simple and unified.

TUBULAR LOCKS FOR:

- Hotel guest rooms
- High-end apartments
- Condominiums
- Office buildings

MORTISE LOCKS FOR:

- Healthcare buildings
- School & university applications
- Government facilities

EXIT DEVICES FOR:

- Conference rooms
- Theaters
- All egress doors

ACCESS CONTROL FOR:

- Corporate office space
- Healthcare facilities
- K-12 schools
- Colleges and universities
- Any door that requires electronic access control

and more open world

The **ART** of Inspiration

Jumpstart your creativity with Inspire™ roseless trim. The harmonious union of lever and door creates an artful approach to every opening.

Is door hardware obvious? Sometimes. But subtlety is key to good design. Select a stunning Museo lever, combine it with Inspire trim, and create a masterpiece!

Offered with most Museo levers, this exquisite trim by Corbin Russwin will inspire you and the door openings in your facilities to be works of art.

INSPIRE

Roseless Trim

FEATURES:

- Compatible with TL3700 tubular locks, ML2000 mortise locks and Access 600™ RNE1 mortise access control lock
- 16 architectural finishes available including MicroShield® antimicrobial coating
- Ceco Door and Curries hollow metal doors can be expertly prepared for Inspire™ trim

BENEFITS:

- Lever and trim fade into the door for a subtle, refined look
- Variety of decorative levers offered to complement your design
- One lever on all openings creates a consistent theme throughout your building

Sophisticated Elegance

Black Suede (BSP) is a permanent matte finish that conveys sophisticated elegance. Tested to ANSI/ BHMA A156.18 standards, BSP delivers a “suede-like” feel.

Durable and cost effective, this finish is available through several ASSA ABLOY Group brands.
