

Pick up a  
six pack of light.  
Before  
work.

Six packs or singles, Edwards new Compaxx™ Beacon delivers signaling satisfaction for less.

Four inches of brilliant light make the Compaxx 114 Series Beacon your new choice for economical signaling. Strobe, flashing or steady incandescent output, it's NEMA 4X rated in amber, blue, green, red

or clear. Call 203-699-3300 or visit [edwards-signals.com](http://edwards-signals.com) to see for yourself. Then pick up one or a handy contractor six pack. Either way, you're getting Edwards quality more affordably than ever.
