With the growing number of homes and offices using computers, the protection of magnetic media has become extremely critical. The loss of personal as well as business records can be costly and devastating. The average fire safe is not designed to protect your electronic records. Gardall's media safes are designed to meet the additional requirements of protecting magnetic media. For your convenience we offer two sizes to choose from.

Standard Features

- Push button electronic lock with key day lock
- 3 way bolt work with bolt detent
- Push button electronic lock – 6-digit combo
- One or two removable shelves (model dependent)
- No anchoring holes
- Key operated day lock
- **Gardall Lifetime Replacement Warranty** (see inside front cover)
