GARDALL SAFE CORPORATION
MINIMUM ADVERTISED PRICING / INTERNET POLICY

Company Name: _____

Date: 01/01/2012

This policy is for GARDALL SAFE CORPORATION (“Company”) with regards to the showcasing, selling, and quoting of prices for the Company’s products (the “Products”) via the Internet. The purpose of this policy is to ensure fair and equitable treatment for all of the Company’s distributors and retailers (“Retailers”). **Please see 3b for MAP = .75 times current Retail Price List in effect.**

The Company recognizes that the Internet and its role in commerce continues to evolve, providing great opportunity for the Company and its authorized dealers to expand brand and product awareness. In furtherance of our commitment to our Retailers and the public, we have prepared the following Minimum Advertised Pricing/Internet Policy to outline the criteria for use of our Products on the Internet.

1. The Company owns all Intellectual Property related to the Products. “Intellectual Property” means:
(a) copyrights and any other rights to any form or medium of expression; (b) trade secrets, privacy rights, and any other protection for confidential information or ideas; (c) patents and patent applications; (d) any items, information or theories which are protectable or able to be registered under any copyright, patent, trade secret, confidentiality or other similar laws; (e) trademarks and trade names; and (f) any other similar rights or interests recognized by applicable law, associated with or of the Products.
2. Prior to advertising or promoting any Products using any Intellectual Property on any Web site, you must receive written approval from the Company. Only the Retailers which are approved and authorized by the Company to advertise and sell the Company’s Products on the Internet are permitted to advertise on Internet search engines or elsewhere on the Internet.
 - a. Approved Retailers will receive a non-exclusive license to use the Intellectual Property in connection with promotion and marketing of the Products on their website. You acknowledge and agree that the Company owns and shall retain all ownership of the Intellectual Property.
 - b. In seeking approval for any promotion or marketing on websites, the Intellectual Property usage must comply, at a minimum, with Company’s guidelines regarding graphic appearance, trademark notices and with the Company’s standard marketing policies.
 - c. Except those otherwise approved by the Company, websites containing or providing (via e-mail or other electronic communication) any specific Product pricing information will not be allowed. While the Company Retailers remain free to sell the Company Products at any price they choose, the Company requires only that these prices shall not appear on your websites or be communicated electronically unless specifically approved by the Company.
 - d. All hyper-linking from a Retailer’s website to the Company’s website must be approved by the Company.

- e. Websites, which promote or market the Products or use the Intellectual Property in any way the disparages or injures the Company or our Products, in our sole discretion, will not be approved.
- f. Websites, which promote or market the Products or use the Intellectual Property in any illegal, deceptive, undesirable or improper retail practices, will not be approved.

3. Authorized Retailers who offer the Products for sale via the Internet agree not to advertise below Company's **Minimum Advertised Prices**.

- a. The **Minimum Advertised Prices** are published by the Company for the Products, and updated periodically. Dealers will be required to update their advertised prices accordingly and promptly within a commercially reasonable period of time.
- b. The current **Minimum Advertised Price** for any Product is equal to 0.75 times the Retail List Price from the current price list in effect.
- c. Retailers who are approved to show prices on the Internet are required to post prices on their website. "Call for Price" posting on any website is unacceptable.
- d. Company reserves the right to monitor posted prices on the Retailer's website(s) or other forms of advertising.
- e. For the purpose of this policy, "advertised price" shall mean the dealer's total Internet selling price, reduced by the wholesale invoiced value of any associated premium, rebate, discount, gift, and/or promotional item given away with the sale of the Products. The total advertised price, minus the wholesale invoiced value of any associated gift, etc., may not be less than the total of the stated **Minimum Advertised Price**.
- f. Each Retailer is responsible for and liable for any business conducted on its website(s) or otherwise, including, but not limited to, security, privacy, and inappropriate materials. Retailers shall indemnify, defend, and hold Company harmless from any claims arising out of any materials presented on a Retailer's website or otherwise.
- g. This advertising policy covers advertising and related materials that are posted anywhere on an Internet website, including order entry/purchase order form, direct e-mail advertising and also advertising and related materials that are accessible through the website by means of hyperlink.
- h. Violation of "**Minimum Advertised Price**" policy will result in a one (1) month suspension of orders and shipments of the Company's Products for the first offense; a three (3) month suspension of orders and shipments for the second offense; and a termination of orders and shipments of the Company's Products after a third violation.
- i. The Company is not dictating the price of the Company's Products that our Retailers quote, sell or advertise in a physical store location or in local marketing efforts. Retailers operating

from a physical store location have complete freedom to set and determine the prices at which the Company's Products are sold in their stores. This policy relates solely to the advertising and/or sale of Company's Products through or over the Internet.

4. You acknowledge and agree that Web site approval process and this Internet Advertising Policy are not intended to be and shall not be construed to be a franchise or business opportunity under the laws or regulations of the United States or of any state.
5. You agree to indemnify, defend and hold harmless the Company from and against all costs, damages, claims (threatened or actual) and expenses (including, without limitation, reasonable attorneys fees) which may arise or derive in any way from your website(s) or unauthorized use of the Intellectual Property on the website(s).
6. The Company always reserves the right to withdraw website(s) approval at any time for any reason or no reason at its sole discretion. Upon notice of approval revocation, you must immediately remove all Intellectual Property from the website(s).
