

## How to Activate and Deactivate Rules

ISONAS Pure Access has added the ability to deactivate and re-activate weekly rules to help you get ready for future schedule or access changes. By default, inactive rules are now shown at the bottom of your weekly rules list with a gray background.

-	BIRE	. ein	883	wast	141	NUM STRATE	-
	And Actions	di arram	The second second	· mourie		Bander (1.1.4)	
	Cleaning Staff.	di taong tort	The Chief of Barton	* #10-mm	1. 1.	Barneters (1)	
	Deeringht Mell.	42 W/ Dayre	@ Derright	# alt0mm		El sent (11)	
	feer Seventhingen		a sint	W Terr		2. Section 1.1.1	
	New Dearing Dark (7/18)	a texture form	The Charles States	******			

By default, both active and inactive rules are shown on the weekly rules page. You can filter this list to show rules in a certain status by selecting options in the "Rule Status" filter group.

		makes and them

You can also activate or deactivate multiple rules by using the checkbox multi select to select the rules whose status you would like to change, then selecting whether you would like to active or deactivate the selected rules.

WEEKLY RI	Activate Selected Rules Deactivate Selected Rules	1			
83~	Select All Deselect All	ино	WHEN	WHERE	¢
•	24x7 Access GrantAccess	25. All Usera	🛱 Holiday Text	All Doors	
0	Cleaning Staff GrantAccess	# Cleaning Staff	Cleaning Access	All Doors	
۰	Overnight Shift GrantAccess	25 All Users	Dvernight	9 All Doors	
	New Cleaning Staff (7/15) GrantAccess (Deartivated)	A New Cleaning Service	Cleaning Access	9 All Doors	

After activating or deactivating any rules, you'll need to update your access points for the changes to take effect.
