

MacPro® Electric Hinges

MacPro® Electric Hinges

MacPro® Electric Hinges connect the power source to electrified locking hardware and exit devices. They are ideal for new construction as well as retrofit and aftermarket applications. MacPro Electric Hinges easily retrofit existing electric hinges with center exit wires.

MacPro® Electric Hinges are easy to install with ElectroLynx® Quick Connect (QC) or Concealed Circuit (CC) connection options. Once installed, the wires are concealed to increase security and prevent tampering.

Portal holes feature brass eyelets to prevent chafing, giving the hinge an extended service life. UL Listed.

Features	Benefits
Center exit wires	Ideal for replacing worn hinges in retrofit applications
No external wires	Eliminates disruption of power due to tampering
Brass eyelets on portal holes	Protects wires from chafing
Common wire colors	Coordinates with other ASSA ABLOY Solutions
UL Listed, ANSI/BHMA A156.1 Standard	Meets or exceeds industry standards
Standard or heavyweight	Available for a range of door weights

Applications:

- Office Buildings
- Light Commercial
- Hospitality

The ASSA ABLOY Group is the global leader in access solutions. Every day, we help billions of people experience a more open world.
