## T54C

**Function:** Replacement cylinder kit

**Works with.** CompX/National original cylinder for C8154 or C8155 pin tumbler t-knob locks for metal cabinet doors

**Usage:** Allows you to replace the cylinder only and not the entire T-Knob.

The new T54C T-Knob Cylinder Replacement Kit from Olympus Lock replaces original CompX/National T-knob pin tumbler cylinders. You no longer need to replace the entire t-knob lock, just replace the non-functional cylinder. Our cylinder is all brass construction for increased durability. This is a 5-pin cylinder and can be keyed to match your existing 4-pin or 5-pin systems.
