Face Plate

Housing

Panther plates are an easy to mount, wireless, 4¾ inch and 6 inch round, or 4¾ inch square style PUSH PLATES with an RF 433 code-encrypted security transmitter.

Panther plates are weather-resistant, NEMA 4 rated and offer a complete solution for wireless applications.

FEATURES

- Faceplate surface is made of durable stainless steel
- Tamper-resistant, recessed faceplate with beveled edges
- Slim-line profile with no visible mounting holes
- The fully-assembled unit installs easily with a mounting plate
- Can be used to cover any existing single or double gang boxes
- The housing can be directly installed to any flat surface such as a wall or mounting post (Bollard) using standard screws
