

What is the net length of the hinge?

Customers ordering Pemko Continuous Geared Hinges are accustomed to receiving a hinge that is exactly the length that they ordered. However, on the Pemko Stainless Steel Pin and Barrel hinges the ordering length and the net length may be slightly different, depending on the size ordered.

Here is a helpful chart comparing the ordering length and the net lengths:

Nominal Door Size	Ordering Length	Geared Hinge (net length)	Pin and Barrel Hinge (net length)
6'8"	79"	79"	78 ³ / ₄ "
7'0"	83"	83"	83 ¹ / ₈ "
7'2"	85"	85"	85"
8'0"	95"	95"	95"
10'0"	120"	120"	118 ³ / ₄ "

Pemko Stainless Steel Pin and Barrel hinges have different net sizes than Pemko continuous geared hinges on three lengths. The slight difference in net length will not affect the overall performance of the hinge. Please be aware of the net sizes when ordering the Stainless Steel Pin and Barrel Hinges.
