HINGES & POWER TRANSFER

Command Access Energy Transfer Pivot Hinge

- *UL-F Rated*
- *4' Lead available at no charge*
- *Center located wire access hole*
- *Non-conductive wire access cap for added protection*
- *3-Year Warranty*

Quality, selection & pricing second to none

The **Energy Transfer Pivot Hinge** is available in the same wire configurations as the butt hinges. It's a great way to pass power from the hinge jamb to the door and have no exposed wires or cords. We maintain an inventory of our own Command Access intermediate pivot hinge. We also modify other manufacturers pivots if sent to us.
