

**Notes:**

1. Do not scale drawing.
2. All dimensions given in inches.
3. Due consideration must be given as to clearances required for push and pull bars.
4. Use of twin cement case affords a greater opening width between doors opened back to back.

Twin cement cases can be supplied for 1-7/8" (47.6) or 2" (50.8) mullions when specified.

Size of Mullion	Dim. "A"	Dim. "B"
1-7/8 (47.6)	3-1/2 (88.9)	1-7/8 (47.6)
2 (50.8)	3-5/8 (92.1)	2 (50.8)

For 1-3/4" (44.5) mullions consult factory.
