GreenCircle Certification System

GreenCircle Certified, LLC certifies that an independent, third-party evaluation has been conducted for:

ASSA ABLOY

Securitron® M680E with EcoMag® Technology

79% Energy Savings

Phoenix, AZ

Energy savings were calculated based on a 24-hour period. The analysis assumes the door opens 250 times a day for an 8-hour period (standard work day) and the remainder of the time is spent in a closed and locked position. Energy savings are calculated based on an assessment comparing the Securitron EcoMag 1200-lb variant product performance to the previous generation Securitron M680.

Certification Period: June 1, 2022 - May 31, 2023

Certification Number: 22-0376

GreenCircle Certification System

GreenCircle Certified, LLC certifies that an independent, third-party evaluation has been conducted for:

ASSA ABLOY

Securitron® M680E with EcoMag® Technology

82% Energy Savings

Phoenix, AZ

Energy savings were calculated based on a 24-hour period. The analysis assumes the door is held propped open 12 times a day for 40 minutes at a time over a 16-hour period and the remainder of the time is spent in a closed and locked position. Energy savings are calculated based on an assessment comparing the Securitron EcoMag 1200-lb variant product performance to the previous generation Securitron M680.
