X-09™ Passes T4 Protective Security Approval

In cooperation with the Kaba Australia Pty Limited, Kaba Mas is pleased to announce that the Australian Security Intelligence Organisation (T4 Protective Security) has approved the Kaba Mas X-09 High Security Lock for use on SCEC (Security Construction and Equipment Committee) approved Class 'A' Containers and Doors, and Class 'B' Containers and Doors.

The Australian Security Intelligence Organisation (T4 Protective Security) and SCEC announced the approval on February 4, 2003, and stated the X-09 High Security Lock will be included in the next edition of the Security Equipment Catalogue.

About Kaba Mas

Kaba Mas, part of the world-wide Kaba group, is the world's leading manufacturer and supplier of high security, electronic safe locks. Its complete line of self powered, battery and mechanical locks meets virtually every safe lock requirement. Kaba Mas is dedicated to satisfying end-user needs for security, safety and convenience.
