**KABA  
MAS**

**CATEGORY:** Parts

**PRODUCT:** X-09™ High Security Lock

**BULLETIN NUMBER:** MB008

**APPLICATION:** X-09™

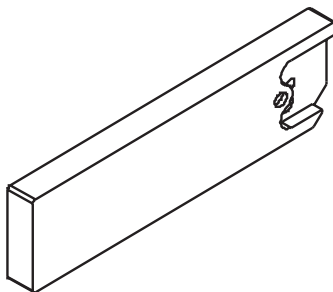

**DATE:** 5/5/03

## **X-09™ Bolts Added to Parts Offering**

Announcing the addition of two bolts for the X-09 High Security Lock, available through the parts program beginning May 5, 2003.

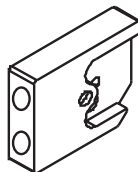

**505064 - 4" Extended Bolt** - List Price \$24.00 each (a minimum of 10 must be purchased).

This bolt is used in custom applications where the standard lock bolt is not long enough to operate with the boltworks correctly. Installation instructions included with the bolt.

**505062 - Flush Bolt** - List Price \$19.00 each (a minimum of 10 must be purchased).

The flush bolt is designed to be used in containers where the bolt must be completely retracted in order for the boltworks to operate correctly. Installation instructions included with the bolt.

### About Kaba Mas

Kaba Mas, part of the world-wide Kaba group, is the world's leading manufacturer and supplier of high security, electronic safe locks.
