Unicon Series End-of-Life

The Unicon Series of lock systems has entered its end-of-life phase. Last buys of locks must be completed by April 30, 2016. Software can be purchased for 6 additional months after the lock order date, concluding October 31, 2016. Product will be removed from the Kaba Mas List Price Book as of May 1, 2016.

Standard 1 year warranty on the locks will be provided.

Unicon Software is not compatible with Windows 8.1 or Windows 10. Kaba Mas will continue to offer software support for installations on Windows XP and Windows 7 systems. The software will not be supported under Windows Vista.
